Beloved Hope (Heart Of The Frontier Book #2)

Synopsis

A Compelling Novel of Forgiveness and Hope from Leading Author Tracie Peterson Hope Flanagan survived the massacre at the Whitman Mission, but at terrible personal cost. Safe now in Oregon City, she lives with her sisters, Grace and Mercy, and Grace's new husband, Alex. As she spends her days tending their flock of sheep, Hope's mind and soul are slowly healing. Yet, though she was once surrounded by suitors, she has no interest in giving her heart again after the man she loved died in her arms. Hope's precarious new peace is shattered when those responsible for the massacre are captured and put on trial. She is asked to testify against them, but she's not sure she can bear to relive the events of those horrific days. As Hope struggles to free herself from the pain of her past, Lance Kenner, an Army lieutenant, brings an unexpected ray of light into her life. But what will Lance think of her if he learns the truth behind her anguish? And what secrets lie in his past?

Customer Reviews

This is really amazing in how it all comes together. Tracie is such a good author. It was easy to follow. I recommend this to all who like action and adventure along with romance.

I have read the first 2 books of the series and I can't wait to read the 3rd book! I love the message of faith that has been intertwined with action, romance and history! Buy this series today, you will not be disappointed believe me!

This book was just as good as the first! She's did an outstanding job with this series so fair! I can't wait till the 3rd one comes out in the next month or so!

Excellent book 2 in the series about the Whitman massacre in the Oregon territory in the 1850's - am looking forward to the 3rd book coming out in September. Each book involves the 3 sisters :Grace, Hope and Mercy - how they dealt with tragedy , conflicts with the Indians and their faith in God and family love and values

Totally love tracie peterson's writing & how she can have you sympathize with all parties in a situation. Love how she mixes romance & teaches history at the same time!

The only thing I wish was different is, when I finish one, the next in the series would be available immediately.

This was great. Can't wait for book #3 to arrive.

This is a great series of books!
