Customer Reviews

I purchased this for my husband who is a true wrestling fan every since he was a small boy. I surprised him with this and he absolutely loved it. It has detailed information about all the wrestlers you can think about including weight, height, finishing moves, etc.... Any WWE fan would adore this book.

This book is all about the awesome comic book style drawings of the WWE Superstars and Divas. Each page is simply a profile of a particular wrestler with some basic info and a few paragraphs about them. Not a lot of text content, but the artwork is fantastic and included many more Legends than I expected (which is a good thing.) Also had a lot of NXT wrestlers I had never heard of.

My 7 and 8 year old sons love this book. I would say it's easily worth it for any wrestling fan/collector. It's just a really well done book with some fantastic illustrations and information. My kids have fun reading this. Highly recommend it, it's a superb book even for kids..

My 11, 7, and 6yr old boys love looking through this book. It has beautiful illustrations and great info on all the current and legendary wrestlers. My friends and family love looking up their old favorites!

NICE! A must for WWE fans. The price was reasonable as well.

My son loved this gift! Nice book

Well made and designed book. Great art. Great articles. The font is a little small for a DK Book, so I'm dinging it one star.

Awesome
