Customer Reviews

It would be nice if there wasn't so much fluff in the book. i wish it would have had more useful tips or different recipes. It seems like it is the same type of recipes over and over again

Easy to use book that gives a fine introduction to pressure cooking, can't wait to try more recipes!

Downloaded this to my kindle looking for more vegan recipes for my instant pot. Most of the cookbooks are very meat heavy. Very happy with this book. Lots of useful tips and suggestions as well
