“A TV cooking show for people who actually cook.” —USA Today

America's Test Kitchen is well-known for its top-rated television shows with more than 4 million weekly public television viewers, bestselling cookbooks, magazines, websites, and cooking school. The highly reputable and recognizable brands of America's Test Kitchen, *Cook Illustrated*, and *Cook Country* are the work of over 60 passionate chefs based in Boston, Massachusetts, who put ingredients, cookware, equipment, and recipes through

objective, rigorous testing to identify the very best. Discover, learn, and expand your cooking repertoire with Julia Collin Davison, Bridget Lancaster, Jack Bishop, Dan Souza, Lisa McManus, Tucker Shaw, Bryan Roof, and our fabulous team of test cooks!

If you are a fan of the show, you will absolutely love this book! It's a huge volume, about the size of a large dictionary. Pictured below:

- 1) Contents
- 2-3) 2001-2015 occupy the majority of the book. The recipes all include the header "Why this recipe works", and a photo of the finished product. Some have a few process photos added, but not many. My paella.
- 4) 2016-2017 are their own chapters. The recipes include the "Why this recipe works", but no photos of the finished product. That's the only thing I was disappointed with.
- 5-6) Charlotte Russe. I made this for Valentine's last year with some lobster mac.
- 7) There's a shopping guide with 30 pages dedicated to equipment, and 24 to ingredients. I checked a few that I had strong opinions on: flour, Dijon, canned tomatoes, cinnamon, BBQ sauce, olive oil and was in total agreement with their choices, so I'll have added confidence consulting that section as needed.
- 8) Beef Stir Fry with Bell Peppers and Black Pepper Sauce from episode 17 of 2017. Fantastic. Tender with a silky mouth feel.
- 9) Episode 14 of 2017 with Grilled Shrimp and Vegetable Kebabs and Persian-Style Rice with Golden Crust (Chelow). Amazing dinner!
- 10) Episode 18 of 2017 with Tuscan-Style Roast Pork with Garlic and Rosemary (Arista) and Farro Salad with Asparagus, Sugar Snap Peas, and Tomatoes. Delicious! The house smells amazing!
- 11) Episode 20 of 2017. Ultimate Shrimp Scampi. Fabulous and fast.
- 12) Episode 7 of 2017. Crisp Roast Butterflied (Spatchcock) Chicken with Rosemary and Garlic. I think the spatchcocked chicken looks sassy with its wings on its hips! Delicious and easy peasy!
- 13) Apple Tart. This was their homage to everyone's heroine, Julia Child. The chicken's out of Mastering the Art of French Cooking.
- 14) Creamless Creamy Tomato Soup - p10 and Grown-up Grilled Cheese Sandwiches with Cheddar and Shallot - p259. The tomato soup was really good, but that cheese sandwich was awesome! Cheddar, brie, and wine get blitzed in the food processor to form a paste, and then minced shallots get stirred in. Fantastic stuff. I'm going to try increasing the wine ratio just slightly to make a lovely cheese spread for crackers. I've noticed that some of the 2017 dishes were in the 2016 issues of Cook's Illustrated. I'm really happy about that because I keep an issue of CI in my car to read like fiction if I have to wait somewhere, but I never cook from magazines. I can't wait to try the rest!

I've just received my copy, have read it cover-to-cover, and I love this book. I'm 70 years old, cooking is my passion, and I either own or have read hundreds and hundreds (thank you, public library) of cookbooks. Among those are many classic reference cookbooks (Joy of Cooking, Gourmet, Bon Appetit), but this one beats them all in terms of size (1,062 pages), clarity (every single recipe comes with an explanation of how ATK tested various alternatives and why they came to this specific recipe), and comprehensiveness in terms of cuisines. Some chapter titles are clever ("Let's Do Takeout"), and follow through with such classics as Pad Thai. Others are, of course, the expected chicken, turkey, pork, etc. But also French, Italian, and Tex-Mex. Almost all recipes come with color photos of the completed dish. The "behind the scenes" copy consists of a few black and white photos scattered throughout. However, there are 30 pages listing equipment "favorites" (not full reviews) with my estimated average of 7 items per page--an invaluable reference, IMO. Also, there are 24 pages listing ingredient "favorites" with my estimated average 8 items per page. I was pleasantly surprised that the book includes so many equipment and ingredient recommendations. Finally, I've subscribed off and on to Cook's Illustrated, Cook's Country, have subscribed to their website, and have watched their TV shows for many years. They really mean it when they say, "we make all the mistakes so that you don't have to," and I have found their recipes invaluable over the years. I put a lot of Post-Its on the pages on my book for recipes that I want to try. Finally, for anyone who wants to improve their cooking skills, simply wants to dabble in, for example, "take-out" cuisine, OR needs more recipes for weeknight cooking, I highly recommend this book. Find a dish that interests you and then follow the step-by-step instructions you need to make your dish a success.

This is a very complete book of recipes and a handy reference for things you saw on the show. A couple of complaints. It is very heavy. Recipes are organized by the season in which they appeared. That makes it more difficult to see all recipes in a category of ingredients, say for example, all chicken recipes. Also note that some recipes, such as zucchini bread, have changed since they were published in the family cookbook so you may not find the exact version you are looking for.

Every single recipe I've tried in here has come out perfectly. I'd recommend this to anyone.

I get hungry when I read this, and I trust their reviews of products. My only wish would be for more pictures. I have the digital version and I wish there was some interaction with it, such as creating a shopping list. I don't think navigating a digital book is as easy as a traditional book, but I

find them easier to store and take up less space.

I love this book and will buy another for my youngest granddaughter, I watch the show weekly and checked and they had the book at the same price-delicious recipes, great for novice or longtime cook. Excellent advice, pictures and instructions- arrived quickly and well packaged

will be the real foodie bible please stand up!must have, for so many reasons.

I love to thumb through cookbooks looking for new recipes to try. This cookbook is really interesting to look at because of the notes they have made about the recipes. I've bought this cookbook to give as a gift more than once.
