Like many of the other comments I read, I couldn't stand Sosa either. He things out of spite and that really rubbed me the wrong way. But I said that to say this his reasons though I could see but his actions were extreme. Now Auri wouldn't have been in some of those situations had she stood her ground with both Jess and Sosa. Now if you have a friend like Jess who needs enemies because you can't love a person but do something that will hurt them. Now Deleon was great and I loved they say he loved Auri through her flaws and no matter what he didn't give up on the one he loved. I went through some emotions with this book and that's a good thing for me. There were parts I had to put my kindle down because I ain't want to know what happened next but I must say I will be reading more from this author.

First CHITOWN STAND UP!! #WestSideGurl #BornAndRaised ok this book stretched me to my limits! Sosa was insanely crazy! Like where did that type of crazy come from? All of this because his mother got strung out?! Greg and Jess got off too easy for me!! Greg was a cheater and a whimp his wife should of left him when Sosa made her toy with his thing! Jess deserved to be found out she was a pure snake! Deleon personified the patience that a person needs when dealing with an addict. Auri is a hot liquid mess! Too book smart and not enough of the streets. I appreciate her character being as smart as she was because most people believe addicts are stupid which most of the time isn't the case! Auri wore my nerves out! She was too weak. Delow is my favorite I would love to read more about him. This was hard to read cause it hit close to home but I did enjoy it.

I Absolutely Loved This Book! Auri was making me mad throughout the book...i HATE Sosas crazy self! This was definitely a page turner and very suspenseful! #MustRead -Zee

I read the beginning of the book & it is off the chain as I knew it would be!!!! Keep bringing the heat baby girl!!! Happy birthday to you & much success to you as well!!!!

I was so emotional the more I read this book!! Auri is a prime example of a book smart but street dumb girl. She was so sheltered that she fell hard for that fool Sosa... Jess was not a friend at all..it's sad to say she got what she deserved.. Deleon was a good one I know it was hard going through all of that dram.. Sosa got what deserved also it should have been more!!!! This was pretty good!!!

This book was so good it had me all in my feelings and I couldn't put it down Auri went through so

much and I hate Sosa lol great job

ÃfÃ Ã ÅÃ ÆœÃ Â©ÃfÃ Ã ÅÃ ÆœÃ Â©ÃfÃ Ã ÅÃ ÆœÃ Â© OMG! Author Latoyaaaaa! She has officially become my favorite author! I couldn't put it down and I'm crying tears of joy! This book had me on the edge! I thought I was going to die when I got to the end. Even thought I wanted to kill a few people from about page 3, I toughed it out and made it to the finish line!

ÃfÃ Ã ÅÃ ÂÃ|ÃfÃ Ã ÅÃ ÂÃ Â ÃfÃçÃ â -Ã ÂÃfÃçÃ â,,çÃ â -ÃfÃ Ã ÅÃ Â• Man, where is my Deleon?!! ÃfÃ Ã ÅÃ â ^Ã â - Pick up this book and read it! Don't put it down until you finish it!

This Was A Great Outstanding Read. This Book Reminded Me Of What Happened With My Aunts Back In The 90's. The Only Difference Is Your Characters Delow Didn't Give Up On Auri and They Had A Very Fantastic Ending Through All Their Tragedies and Heart Aches. Again Latoya You Did An Outstanding Fantastic Job On This Read..May God Bless You With More Reads Like This
