Calculus: Early Transcendentals, Loose-Leaf Version

Synopsis

Success in your calculus course starts here! James Stewart's CALCULUS: EARLY TRANSCENDENTALS texts are world-wide best-sellers for a reason: they are clear, accurate, and filled with relevant, real-world examples. With CALCULUS: EARLY TRANSCENDENTALS, Eighth Edition, Stewart conveys not only the utility of calculus to help you develop technical competence, but also gives you an appreciation for the intrinsic beauty of the subject. His patient examples and built-in learning aids will help you build your mathematical confidence and achieve your goals in the course.

Book Information

Loose Leaf

Publisher: Brooks Cole; 8 edition (February 5, 2015)

Be Unstoppable with Stewart's Calculus: Early Transcendentals, Loose-Leaf

Version [View larger](#) [View larger](#) [View larger](#) [View larger](#) [Test](#)

Your Preexisting Knowledge Pinpoint where you may need to brush up on skill techniques to successfully begin the course. A series of four diagnostic tests begins the text, covering algebra, analytic geometry, functions, and trigonometry. Answers are included, and if you need to improve, you will be referred to points in the text or on the book's website where you can seek help.

Strategies Help Solve Problems Stewart includes helpful **Strategies** sections to lead you to the right technique that you will need to solve problems in situations where the choice may not be obvious. **Concepts With Examples & Step-By-Step Explanations** Application-based problems help you strengthen your understanding of concepts and discover the impact of Calculus

in its various applications. Effectively Prepare For Exams Review what you know and don't know to ensure success on your next exam. Comprehensive review sections follow each chapter with a 'Concept Check' and 'True/False Quiz' that allow you to prepare for upcoming tests.

Enhanced WebAssign Allows You to Learn at Your Own Pace [View larger](#) [View larger](#) [View larger](#) It's not about homework. It's about learning. Forget everything you thought about completing math or science assignments. Enhanced WebAssign is not about memorizing formulas. It's about achieving success and gaining a deep understanding of math and science. You get coached. Enhanced WebAssign breaks down math and science problems into small, achievable steps. Using built-in tools, you get the help you need even when you are stuck. Because your instructor tailors Enhanced WebAssign to the course goals, every reading, video, exercise and quiz is there to prepare you for finals. No more exam surprises! You get instant feedback. A system of bonus and penalty points identifies the areas you need to work on. And you're never marked down for entering a differently formatted correct answer. EWA has everything you need. Learning at your own pace, instant grades online, tutorials, videos and practice problems. Enhanced WebAssign helps you learn math and science, not just do homework.

The late James Stewart received his M.S. from Stanford University and his Ph.D. from the University of Toronto. He did research at the University of London and was influenced by the famous mathematician George Polya at Stanford University. Stewart was most recently Professor of Mathematics at McMaster University, and his research field was harmonic analysis. Stewart was the author of a best-selling calculus textbook series published by Cengage Learning, including CALCULUS, CALCULUS: EARLY TRANSCENDENTALS, and CALCULUS: CONCEPTS AND CONTEXTS, as well as a series of precalculus texts.

The early half of the book can be more comprehensive (as if this weren't comprehensive!), but the book finishes strongly, so I can't complain too much about it. Check out also the book of the same title by Sullivan, which has the reverse problem.

I love it because they give a variety of problems, Would like to see the solutions manual included

with the rental

Perfect if you do the problems at the end of chapters.

Just as described! Thanks much!

Quick shipping and book as described.

Excellent renting value and it was in perfect condition.

Thanks

GREAT CONDITION AND AWESOME BOOK
