John A. Sanford is a pastoral counselor in private practice in San Diego, California.

This work is many books in one. I consider this John A. Sanford's literary jewel a wonderful approach to find the connection between the Psychology and the teachings of Jesus, explained in very clear and understandable language. Tells us the different meanings of sin in the New Testament, according to the various Greek words of the text. And most valuable of everything else, the explanation of physical and spiritual disease according to our soul condition.

Excellent read. Very helpful.

Very interesting reading about the soul.

This was wonderful. If you ever wondered if you were lead to use "healing" through Christ's name

then this is a great book to read!
