Customer Reviews

Maria Diaz is a freelance needlecraft designer who has been published regularly in magazines and books worldwide.

I wanted to get some ideas to cross stitch on a baby bib. There were quite a variety of pictures, but also in varying sizes. I needed some smaller patterns to fit onto the 3 inch panel on the bib. I was quite pleased that there were a number for that size to choose from.

Book is in great condition. Just as described. So many wonderful patterns in this book. Fast delivery. Precious Moments counted cross stitch book. Thanks so much.

I love all the books Maria Diaz does. She makes super cross stitch designs, easy, simple, and

quick. This one for kids has really cute designs. Highly recommend it for anyone's cross stitch library

Expected more size to book. Nice patterns but I am sure when I open it up to stitch, the book will fall apart.

Loved the patterns and have purchased other books in the series.

So the book had many designs. I loved it and have used several patterns from it. I will continue to use it for my many projects.

Excellent!
