Alyssa Satin Capucilli is the award-winning creator and author of the Katy Duck series and the bestselling Biscuit series, which has sold over twenty-four million copies. A dancer as well as a writer, she lives with her family in Hastings-on-Hudson, New York. Leyah Jensen studied photography at the Rhode Island School of Design, but her journey in photography began much earlier. As a toddler of a professional photographer, she was often staged in tutus or with a finger in the nose. Growing older, she helped lug equipment to places like Tijuana, where her father was

basing a children's book. Then in her teens she completed several photojournalism assignments abroad of her own, through children's organizations such as Compassion and other orphan relief agencies. Her own experiences as a child model have taught her that you can't capture the magic of childhood unless the subjects are free to truly be themselves.

Pictures were too big for the book, several heads and arms were cutoff because of this
