Room For One: Learning To Love God, Cast Out Idols, And Bring Your Faith To Life.

Synopsis

Room for One is a resource designed to help you cultivate intimacy with God. Using the biblical analogy of marriage, Room for One details God's jealousy for you and calls you into an exclusive and life-changing relationship with the God of the Bible. For new Christians, Room for One is an inspiration to dive deeper. For the churched, it provides the kindling to set your love for God ablaze like never before. Within its pages, you will be challenged, inspired, and entertained by a love story written specifically for you by the Creator of the universe. To many, idolatry is a forgotten offense. But is it really a sin of the past? Or have our idols simply changed their shape? This reimagining of modern-day idolatry will help shape your view of worship and encourage you to make Jesus not only the object of your faith but also the exclusive Lord of your life.

when our beliefs are put into action - so much begins to happen in our lives and those our actions impact. This writer helps the reader take a closer look at faithfulness and making our faith come alive in action! Great Read

Concise and to the point. Caswell has stated what most Christians have been aware of at some point, but often fail to remember. When we do remember these truths, and decide to live by them, we may make mistakes, but nobody will be able to call us hypocrites. I recommend this book to anyone who is ready to do something in the kingdom of God.

It is unique to read a book by someone you have known for several years and to get the perspective of the Christian life from their viewpoint.

Well written; Bible based Christian living advise. Our worship of God should be taken more seriously and this book offers insight as to why and how. Good read.

Great read that encourages to make Jesus Christ Lord of our lives and have a living faith. Well written and particularly like that he uses his own experiences to connect with the reader. God bless!

What an encouragement to see a young man sharing the wisdom of the Lord. Great job Kelen!!

This book speaks volumes if you're ready to listen. I am always seeking to learn more and this book helped me greatly. There are few books I can say changed my life by changing how I think, but this one made that list. This is a must read.

"Room for One" is a very compelling book that inspired and challenged me to examine my walk with Christ. Prior to reading this book, I thought I was truly living a life for Christ. Instead I discovered I was living a life of idolatry. I love how the author encourages us to finish the race and cast out anything that is keeping us from following Christ. I absolutely enjoyed reading this book and definitely recommend anyone to read it.
