# American Democracy In Peril: Eight Challenges To America's Future

## Synopsis

Students will see politics in a whole new light after reading Hudson's provocative and popular text in which he raises fundamentally important questions: Does our National security state threaten the very democratic rights it is meant to defend? Does the expansion of judicial power endanger the tenets of our electoral system? Does the privileged position of business undermine economic equity and fairness? Focusing on eight challenges to American democracy, Hudson provides balanced, clear-sighted recommendations for reform, emphasizing that the strength of our political system rests on our ability to respond to these pressing issues.

## Book Information

Paperback: 401 pages

Publisher: CQ Press; 8 edition (February 1, 2016)

Language: English

ISBN-10: 1483368580

ISBN-13: 978-1483368580

Product Dimensions: 6 x 0.8 x 9 inches

Shipping Weight: 12.8 ounces (View shipping rates and policies)

## Customer Reviews

"I am continually impressed by Hudson's mastery of the scholarship in all of the areas he writes about. The main strength of *American Democracy in Peril* is its ability to encourage students to think more critically about the quality of democracy in the United States. Hudson goes beyond the boundaries of government institutions to show how important aspects of our economic system pose serious challenges to our democratic principles and processes." -- Douglas Amy "*American Democracy in Peril* is an accessible yet challenging text for students. It's a textbook that doesn't feel like a textbook and seriously engages issues and some important texts in political science." -- Kellan Anfinson "Most students have very little conception of what democracy really means. In *American Democracy in Peril*, Hudson does a great job of explaining what democracy is, how it's supposed to work, and how it actually works. The book's strengths lie in the questions it raises related to

democracy and in the examples given to support its arguments." -- Manuel Avalos

William E. Hudson is professor of political science at Providence College. He is the author of *The Libertarian Illusion*, *American Democracy in Peril*, 5th Edition, and *Experiencing Citizenship: Concepts and Models for Service-Learning in Political Science* (with Richard Battistoni). Hudson has published numerous articles on public policy issues in journals such as *Political Science Quarterly*, *Polity*, *Western Political Quarterly*, *Economic Development Quarterly*, and *Policy Studies Journal*.
