Customer Reviews

"Time Out, famous for its city guides, takes a break from the urban world with this complete look at Mallorca and Menorca. This culturally savvy book seeks out the undiscovered treats of the island and shakes off the trashy image. This is the ideal companion to the off-the-beaten-track side of Spain." The Observer

Founded in 1968, Time Out has grown from humble beginnings into the leading resource for anyone wanting to know what's happening in the world's greatest cities. Alongside our influential weeklies in London, New York, Chicago and Dubai, we publish more than 20 magazines in cities as varied as Beijing and Beirut; a range of travel books, with City Guides now joined by pocket-sized Shortlist series; and an information-packed website. The company remains proudly independent, still owned by Tony Elliott four decades after he launched Time Out London. Written by local experts, and illustrated with original photography, our books also retain their independence. No business has

been featured because it has advertised, and all restaurants and bars are visited and reviewed anonymously.
