Customer Reviews

PORTLAND 2007

If you don't believe me, try finding your way anywhere with a, for whatever reason, GPS that has no power. At least with these, for the area they're made for, you can find your way to anywhere from anywhere.

You cannot go wrong w/ Thomas Guide! I seldom use it, but when I need to, it has not let me down yet!

This is a very helpful map system. I am looking at real estate online and can refer to the Thomas Guide for locations. Easy to use.
