This was the first "Hombre Mosca" book that I have purchased, but my five year old son, who

doesn't normally sit very long to listen to books read aloud, really enjoyed this one a lot. He actually wanted me to re-read it to him the following day. The pictures and information are engaging for a wide range of ages. I am planning on buying more "Hombre Mosca" books in the future.

good book

A cute book that has many interesting dinosaur facts. He loved it!!
