Top 10 Amsterdam (Eyewitness Top 10 Travel Guide)

Synopsis

Newly revised, updated, and redesigned for 2016. True to its name, DK Eyewitness Travel Guide: Top 10 Amsterdam covers all the city's major sights and attractions in easy-to-use "top 10" lists that help you plan the vacation that's right for you. This newly updated pocket travel guide for Amsterdam will lead you straight to the best attractions the city has to offer, from the Van Gogh Museum and Anne Frank House to the city's most scenic canals. Expert travel writers have fully revised this edition of DK Eyewitness Travel Guide: Top 10 Amsterdam. Brand-new itineraries help you plan your trip to Amsterdam. Expanded and far more comprehensive, new laminated pull-out map now includes color-coded design, public transportation maps, and street indexes to make it even easier to use.

Maps of walking routes show you the best ways to maximize your time. New Top 10 lists feature off-the-beaten-track ideas, along with standbys like the top attractions, shopping, dining options, and more.

Additional maps marked with sights from the guidebook are shown on inside cover flaps, with selected street index and metro map. New typography and fresh layout throughout. You'll still find DK's famous full-color photography and museum floor plans, along with just the right amount of coverage of the city's history and culture. A free pull-out city map is marked with sights from the guidebook and includes a street index and a metro map. The perfect pocket-size travel companion: DK Eyewitness Travel Guide: Top 10 Amsterdam. Series Overview: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations. Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more. DK Eyewitness Travel Guides: the most maps, photographs, and illustrations of any guide.

This was a test as I'm leaving on a three country, ten-day trip. Wondered if the Kindle versions of travel books would work out. I would say there are pros and cons. Pros: search ability, and the hypertext links to various sections of text. Cons: very small pictures not very high-resolution on my iPad 4. Overall, made decision to do this instead of buying three books and lugging them around. Since I'm only in each city for three or four days, the Top 10 books seem like a great choice. I've been to all of the cities before, just wanted updated information on museum times, restaurants, etc.

The information is basic at best, but the lack of decent navigation really turned me off these. I've purchased DK books for years and really like the pictures, maps, etc. I was really looking forward to getting them digitally on my iPad. Sadly after downloading these, I find out they are basic text with links to pictures, but next to zero navigation to go back to the first page you're on that gave you the link in the first place. Maps are useless. You can't zoom in and the hyperlinks didn't work. I contacted , and they were fantastic at returning them without any drama.

While I wish they had the in-depth version of "DK Eyewitness Travel AMSTERDAM" we loved using it while there...and use DK books almost exclusively while traveling. We find that MANY of the restaurants that are recommended are excellent and that the descriptions of the sites are to the

T. One of the most important differences we see with the DK books are the METRO/BUS guides that are included and inserted in the pages as you are site-seeing. Very handy and most useful when you want to get somewhere quickly and efficiently.

I buy this book and brand overtime I visit a new city. Like this one on Amsterdam, these are excellent and easy to use and carry.

The pocket-sized Eyewitness Guides are much easier to consider taking with you on trips. The heavy tomes are wonderful for armchair preparation but too heavy to take on trips. The daily high-light sites are particularly helpful for short visits. Having a succinct list of must-sees or unique detours is appetizing. Size, shape, lists and maps are perfect!

This was recommended to me by a frequent traveler and was a great addition to the trip!

Love, love, love this series of Top 10, especially because I usually have just a few days in these European capitals, and these guides in particular help to get as much as possible out of the trip. The maps are great and sturdy and the whole book is light enough to carry in a pocket.

Top 10 Amsterdam (Eyewitness Top 10 Travel Guides) This travel book is very eye appealing with great color picture and details, like the way it is laid out in sections, and the handy pull out map. The book has a clear slot in the back inside section to store the map when not in use. I have not had the opportunity yet to use any of the Eyewitness Travel Series books, but am looking forward to it! Great wealth of information for what I can tell without actually going to Amsterdam yet. It is perfect size I feel to still be able to read the information with ease while out and about, and still be travel size for carrying or sticking in a purse or backpack. It is 7-1/2" L X 4" W X 1/2" D. I want to buy the newest travel books and was looking for a 2011 updated version. I also like the fact when I was checking the copyright date 2011, that they seem to update them every few years, which is great I feel, because helps keep them current with the times. I can't give it a 5 star because I haven't actually used it yet, but hopefully it will help make my trip one day soon a 5 star trip. Happy Travels !
