The Guinea Pig Handbook (Barron's Pet Handbooks)

Synopsis

Barron's Pet Handbooks are written, designed, and illustrated in much the same attractive style as Barron's best-selling Complete Pet Owner's Manuals. However, Handbooks have a larger page count and with it, more extensive and detailed coverage of each title's subject pet. This updated edition for guinea pig owners provides a wealth of information on the animal's anatomy and life cycle, plus advice on caging, feeding, and health care.

Customer Reviews

The recommendations for cage size in this book are absolutely incorrect. The book indicates a pet-store sized cage is acceptable, when in truth most guinea pigs need about 7.5 square feet of space to live comfortably. Otherwise the info seems steady.
