Go, Otto, Go! (The Adventures Of Otto)

Synopsis

Otto the robot builds a spaceship in this funny and poignant Theodor Seuss Geisel Honor Book. This Pre-Level 1 Ready-to-Read by New York Times bestselling author/illustrator David Milgrim is part of the award-winning, star-reviewed The Adventures of Otto series! See Otto work. Work, work, work on a spaceship to take him home. Since landing on Earth, Otto has made many friends, but what Otto wants most is to visit his family. Will Otto's spaceship take him up, up, up, so he can go, go, go? Find out in this Pre-level 1 Ready-to-Read with bright illustrations and minimal text for the true emergent reader.

Grade Level: Preschool - Kindergarten

Customer Reviews

Almost a decade and a half after crash-landing on Earth in *See Otto* (2002), Milgrim's lovable robot is back and thinking about returning home. "See Otto." Readers see Otto looking at a family portrait of two adult robots and one child robot. "See Otto look at his home" reveals the robot peering through a telescope. An expansive, wordless double-page spread following shows Otto looking up at the stars, the family picture clamped in one "hand," before getting to "work, work, work" in subsequent spreads. "No, Otto, no!" readers may well protest as they watch the robot hammering and welding scrapmetal into a booster-rocket backpack, and it's clear that's what his animal pals are

thinking as they bid him adieu. But although Otto goes "up, up,up," with an "uh-oh," Otto goes "down, down,down" then left and right, and then "here" (through a desert)and "there" (past some penguins), ultimately only to get"nowhere." As in the earlier installments in the Adventures of Otto, Milgrim combines very few words arranged in easy-to-decode patterns with a perfect balance of laugh-out-loud slapstick and honest emotion here, real pathos for a rich, complete story readers just taking baby steps toward literacy can manage. When Otto looks up from the wreckage to see his jubilant friends and realizes he's "looking at his home" and his found family,readers will feel the complexity of his emotions. Welcome back, Otto. Glad you're here to stay. (Early reader. 4-8) (Kirkus, STARRED REVIEW)

David Milgrim is the author and illustrator of more than twenty-five books, including the New York Times bestseller Goodnight iPad and five other books about Otto and his friends. Go, Otto, Go! was named a Theodor Seuss Geisel Honor Book. He lives in Massachusetts with his wife and teenage son. Visit him at DavidMilgrim.com. My grandson was very pleased with this book. He is 4 and a half... just starting to read. He loves the pictures and "helps" his grandma with the hard words.

Great easy to read books for kids just learning out. My 5 year old loves Otto and Pip! He loves reading the books and he loves that HE can read the books!

My 2 1/2 year old twin grandsons love it! They are repeating the words as we read, and are developing their sight word memory. Fun book!

Great fun for children and adults. Simple words hilarious pictures make this a delightful reading experience to share with a young child.

Glad to be adding this to our kindergarten library!

son loves it

I stumbled upon this book at the local bookstore and loved it so much I went in search of more books and found this one. The illustrations are bright and colorful and perfect for a pre-reader. This particular book was not as funny and engaging as "See Pip Point," but it was engaging enough. I would definitely recommend these book for pre-readers, I can see them taking off in their own right due to their wonderful illustrations and just offering something different for pre-readers to digest. Certainly look to buy See Pip Point, you'll really enjoy it!
