# Criminal Law Handbook, The: Know Your Rights, Survive The System

## Synopsis

The criminal justice system is complicated—Understand it and your rights. Criminal law is full of complex rules and procedures, but this book demystifies them. It explains how the system works, why police, lawyers, and judges do what they do, and—most important—the options for suspects, defendants, and victims. It also provides critical information on working with a lawyer. In plain English, *The Criminal Law Handbook* covers: search and seizure, arrest, booking, and bail; Miranda; arraignment; plea bargains; trials; sentencing; working with defense attorneys; common defenses; constitutional rights; juvenile court; preliminary hearings; appeals; public defenders. This edition is completely updated, covering the latest in criminal law, including U.S. Supreme Court cases.

## Customer Reviews

"An excellent and balanced guide to the state court criminal justice process..." *Library Journal* "This easy-to-understand book contains everything you need to know about criminal law." Roger Cossack, *Legal Analyst* "A well written, helpful guide for laypersons interested in their legal rights--straightforward, non-intimidating and informative." Laurie Levenson, Associate Dean, Loyola School of Law

Criminal law books are usually for lawyers. Not this one. It is the preeminent overview of the criminal justice system for consumers. It's for anyone interested in the criminal justice system, from

those personally involved in it to those who simply want to understand it. It's the perfect gift for friends who love CSI and Law & Order, or the popular podcast Serial. It's one of two Nolo books to appear in a movie (Teaching Mrs. Tingle w/ Helen Mirren (1999)).

I bought this for my son and it seemed to assist his understanding of criminal law. He said he wished it were more reader friendly.

Provides some basic information which hopefully you'll never need to use.

Lots of information great book

The book was for my son who is finding it very helpful in educating himself on our legal system.

Perfect for anyone who needs more info on the justice system.

not done reading....good as far as I went...more later

very helpful

Great book.
