Customer Reviews

Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 300,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for these high-quality, light-hearted books and feature over 40 such titles in a continually-expanding line.

Very pretty! Pages are quite thin though so careful if you write on the pages it will likely leave an impression on the next month - not the ink, just the indentation of what you wrote

Very nice high-quality paper. I have only had it a couple of months. I just hope it doesn't curl up in the humidity of the bathroom as my others do. But time will tell. The pictures are lovely!

I love the calendar. The flowers looks real. The way they took the picture of the flowers very professional. I also like the size of the calendar.

Beautiful photos! I love photos that zoom into the subjects. Great calendar.

Nice pictures, vibrant colors.

Beautiful Pictures.

I like it
