Pearl of Great Price**EXCERPT:**"On the evening of the...twenty-first of September, 1823 ...I betook

myself to prayer and supplication to Almighty God.... "While I was thus in the act of calling upon God, I discovered a light appearing in my room, which continued to increase until the room was lighter than at noonday, when immediately a personage appeared at my bedside, standing in the air,

for his feet did not touch the floor. "He had on a loose robe of most exquisite whiteness. It was a whiteness beyond anything earthly I had ever seen; nor do I believe that any earthly thing could be made to appear so exceedingly white and brilliant. His hands were naked, and his arms also, a little

above the wrists; so, also, were his feet naked, as were his legs, a little above the ankles. His head and neck were also bare. I could discover that he had no other clothing on but this robe, as it was

open, so that I could see into his bosom. "Not only was his robe exceedingly white, but his whole person was glorious beyond description, and his countenance truly like lightning. The room was

exceedingly light, but not so very bright as immediately around his person. When I first looked upon him, I was afraid; but the fear soon left me. "He called me by name, and said unto me that he was a

messenger sent from the presence of God to me, and that his name was Moroni; that God had a work for me to do; and that my name should be had for good and evil among all nations, kindreds,

and tongues, or that it should be both good and evil spoken of among all people. "He said there was a book deposited, written upon gold plates, giving an account of the former inhabitants of this

continent, and the source from whence they sprang. He also said that the fulness of the everlasting Gospel was contained in it, as delivered by the Savior to the ancient inhabitants"

So begins the testimony of Joseph Smith, one of the most remarkable religious leaders and prophets of all time.

His revelations have become sacred and his Book of Mormon, along with The Doctrine and Covenants and The Pearl of Great Price form the basis of the Mormon LDS Scriptures.

## **Customer Reviews**

What a life changer this has been. Both the Standard Works and the ability to access it via the Kindle. Great format for adults and simple enough the kids can use for scripture study, taking to church and our personal studies. Love it

I have located a version of the scriptures and study manuals used by the Church of Jesus Christ of Latter-day Saints which is much easier and quicker to move around in, which only works on an iPad and is called simply, LDS Scriptures. In addition to the scriptures it has the Teachings of the Living Prophets, the Bible Dictionary, the Conference issues of The Ensign, the church hymn book and all it seems to lack is a set of maps which I hope they will add sometime.

For some reason this version I purchased lacks all the triple combination Table of Contents. There is only a Table of Contents for the Bible. This makes it ridiculously difficult to get to any of the other books outside of the Bible. Additionally, the LDS church does not have the free Kindle (except Kindle Fire) versions online right now. I stumbled upon a review that mentioned [ldskindlemobi.blogspot.com](http://ldskindlemobi.blogspot.com). This blog had a much better version of the Quad along with a plethora of other church materials for free. Someone has graciously gone out of their way to convert these files for the Kindle reader. These worked great and had the table of contents for all the books. For Windows users - I just clicked on the files on the blog and they downloaded to my PC's Download folder; I plugged in my Kindle to the PC with the USB cable; I found the downloaded Kindle files in Explore and copied them to the USB drive that contained my Kindle; then unplugged the Kindle and the new Kindle files were loaded on there. Note: I own the Kindle Paperwhite

I'm trying my best to get the word out that this particular work is available **ABSOLUTELY FREE** on the official website for the Church of Jesus Christ of Latter-day Saints. Go to [lds.org](http://lds.org) and click on the scriptures link (under Menu -> Study -> Scriptures). On that screen there is a link on the left menu for Available Formats. Click on it. For the main Scriptures heading there is a link to download. Click on the download link. A menu will display with the available formats (mp3, audiobook, pdf, epub, and mobi) you want mobi!!! Just download it, connect your Kindle to your PC, and move the file into the documents folder on your Kindle. Simple. Update: I wanted to update the instructions about downloading from [lds.org](http://lds.org). The menus have changed and now there is a Scriptures menu on the main page. So now the instructions are from the main page of [lds.org](http://lds.org) go to Scriptures -> Formats and Downloads. Click on the download link next to the "Scriptures" heading and select the icon for mobi. Save that file to your computer but do not try to open it. Then follow the steps in the original post, connect your kindle and transfer the file. I also want to add that these instructions should only be used by those who want the scriptures on a kindle that is not a kindle fire variety. If you have a kindle fire you should go into the app store and get the "LDS Gospel Library" app. This will be much more valuable to you and it is still free.

I Love My Quad so I can read Scriptures everyday, & fill more spirit in my Heart as I read them. When My Spirits get low I go to my Quad & read to get the answer's that I need to settle my heart. I Teach Primary It is also my Commandment to follow in Heavenly Fathers, & Jesus Christ footsteps & to be more like them so when I'm ready to go to the Celestial world & live w/ them forever. I believe the Gospel, Book of Mormon, Doctrine & Covenants, Pearl of Great Price, Prophet Joseph Smith,

up to our Prophet today President Thomas S. Monson are all true. I Love Jesus Christ for his Atoning Sacrifice in the Garden of Getsemane, & The Cross on Calvary Hill. Thank You for having it so I don't have to carry my big book around. I like to read on my Kindle when we go to town & use my Quad at Church & at home for my studies. But Thank You very much so I can read on the go now. I use to take my triple for awhile, but now the kindle. Thanks Again, Sister Janine Matney

I rate this low due to a lack of footnotes, links, cross links, or convenient navigation tools. There are alternatives which have such navigation tools, I bought one of those: LDS Scriptures - Complete LDS Standard Works... to replace this. That one is optimized for the Kindle. This is OK if you want to read in a linear fashion, but I like to look up related materials through links in documents. It is difficult to go to a chapter and verse without links or a linked table of contents.

I purchased this expecting chapter headings, as claimed in the product description "This edition also comes with full chapter headings as those found in the physical LDS versions of the scriptures." The first two chapters I looked at in the Bible - in Psalms and Luke - had no chapter headings. The Book of Mormon did appear to. I don't understand the omission, as you can download a set with chapter headings for free elsewhere. Returned the purchase for refund, as I require chapter headings.

We tried two other programs before getting this one and this is the best I've seen so far. The interactive index allows you to move pretty easily to specific books and chapters; something that is a definite improvement over the other two. The chapter/section headings appear to be straight from the LDS scripture sets. The footnotes, bible dictionary and the topical guide are NOT included and there is no cross-referencing. However, I doubt those will be included in any program until the Church gets one adapted for Kindle.
