The 7 Habits Of Highly Effective Teens Workbook

Synopsis

This hands-on personal workbook companion to the bestselling *The 7 Habits of Highly Effective Teens* provides engaging activities to help teens understand and apply the power of the 7 Habits. Sean Covey's *The 7 Habits of Highly Effective Teens* has sold more than 2 million copies to date and helped countless teens make better decisions and improve their sense of self-worth. Now, in the same fun and entertaining style, *The 7 Habits of Highly Effective Teens Personal Workbook* allows teens to build on the principles of the 7 Habits through various thought-provoking exercises. Whether they are already familiar with Covey's Habits or are newcomers to his path to teenage success, teens can immerse themselves in this personal workbook at their own pace and benefit from its positive messages and lessons in their own way. In this interactive volume, teens will find in-depth tools to improve self-esteem, build friendships, resist peer pressure, achieve goals, get along with parents, and strengthen themselves in many other areas.

Harvard, he is the son of Dr. Stephen R. Covey, author of The 7 Habits of Highly Effective People.

This is not a workbook. More like a mini-book that can fit in your pocket. Lines are so closely spaced that any teen would have trouble fitting the letters on them. Very disappointing. Pages are way too small.

This book is a bit wordy for me. A funny thing to say about a book full of words but for my 12 year old son and for me when I was in high school i believe that it could be more succinct and direct. I do like the concept and I like the seven steps. We will definitely get something from it.

Love reading Sean Covey's writing much more than his father's. Same ideas, just written in a way that we all understand. I used it with my high school AVID classes, and they loved it, too, especially the CD. Sean is someone they can relate to.

Awesome book

I bought these for my class and while I like the information presented, I don't like the size of the workbook. I was expecting a regular size and this is more of a pocket book. I work with emotional support students and the material is great, but they don't like the small print and I wish there was more room for them to write.

Had my AVID Freshman class read this book. Such a good motivator for teens.

Hoping this works for my son. Love the layout.

Excellent book. I plan to incorporate it with my classroom counseling sessions.
