DENVER & COLORADO GUIDE: Bikes, Brews, Skiing & Rocky Mountains

DENVER & COLORADO GUIDE

Bikes, Brews, Skiing
& Rocky Mountains

Synopsis

Are you looking for stuff to do in Northern Colorado? This book has dozens of ideas and secrets that you won't find anywhere else. From some of the best skiing in the world, to breathtaking views of the Rocky Mountains, to the Beer Triangle of Colorado, and even to hiking safely, this book will guide you through Northern Colorado. Still a little skeptical? You should take a quick look inside and see for yourself.

Customer Reviews

This book is well-written and full of information not easily found elsewhere on all sorts of activities in one of the most interesting states in the U.S. James Rudd, a resident of Ft. Collins, has done in-depth research to help you plan your excursions. Having done a lot of skiing in Colorado, I was impressed by the practical tips about how to pick the ski areas appropriate to one's skill level and how to minimize outrageous expenditures and long lift lines. Colorado has some of the best microbrewed beer in the country. It is also the home of Coors, if you prefer macrobrews. If you love the outdoors, Colorado is a must-visit state.

This is a well written, handy and concise guide to activities in Colorado. James' unique sense of humor shows through in his "tips" on each site. The tips offer insight into things you would not know unless you've read this book and that makes it doubly valuable.

This book gives me dozens of fun activities to do in northern Colorado...especially when there is no snow. I like that the author provides a tip for each activity along with a link to a website for more details. Highly recommended.
