## Customer Reviews

2016 BMA Awards: Highly Commended, Surgical Specialties "Overall, the book should be an essential requirement in all liver transplantation units and be readily available to physicians and surgeons involved in liver transplantation at all stages in their training." --New England Journal of Medicine "This book is a rare gem - comprehensive, almost encyclopedic in scope, and highly authoritative with more than 200 medical doctors and other experts as contributors to its contents on a highly complex and detailed medical and surgical specialty - liver transplantation. It is essential to have, for anyone in this field." -Nano Khilnani, BizIndia.net

Excellent book!! Arrived on time!!

Wonderful, everyone who deals with transplant of the liver must buy this book!!

great, exactly what we expected.

Really a nice book for transplant surgeons!

Dr. B saved my husbands life by transplanting a new liver at Ronald Reagan UCLA. He is amazing
