I am enjoying my Kindle so much more!" "Great help. This was a big help with my first venture in tablet land. A lot of good ideas. A must read for any kindle user." So, you have a Fire HD8 or Fire HD10 as a gift, or perhaps you bit the purchase bullet on your own because you wanted this impressive tablet. Do you want to get the most out of your new Fire tablet? If you are looking for a top-notch tutorial at a reasonable cost, you've come to the right place! Here is the book that will teach you 100% of what you need to know. All-new Fire HD8 or Fire HD10 Tips, Tricks, and Traps: A comprehensive user guide to the new Fire HD8 and Fire HD10 tablets is your detailed guide to getting the maximum benefit from your Fire tablet. In this comprehensive guide, you'll learn tips (ways to effectively use your Fire), tricks (ways to improve the operation of your Fire), and traps (things to avoid to prevent problems while using your Fire). You will learn-

- How to get around within the user interface, the home screen, and the carousel more efficiently
- How to make your Fire HD8 or Fire HD10 your own, customizing its display and operation for fastest and easiest use
- How to find THOUSANDS of FREE books, as well as movies and songs, for your Fire tablet
- How to setup the security options to protect your account information
- How you can move your iTunes or other music library to your Kindle Fire
- How you can download YouTube videos to your Kindle Fire
- How to use the front and rear built-in cameras that are a standard feature of the Fire HD8 and Fire HD10.
- Suggested apps that no Fire tablet owner should be without

You will learn all of the above and more, with All-new Fire Tablet Tips, Tricks, and Traps: A comprehensive user guide to the new Fire HD8 and Fire HD10 tablets as a part of your library. With this book, you will learn 100% of what you need to know to get the most out of your new Fire tablet!

**ABOUT THE AUTHOR**All-new Fire HD8 or Fire HD10 Tips, Tricks, and Traps: A comprehensive user guide to the new Fire HD8 and Fire HD10 tablets comes from the pen of Edward Jones, the principal technology writer behind the "Kindle Fire Tips, Tricks and Traps" series of technology books. Jones is an experienced computer and technology writer, database applications development analyst, consultant, and trainer who understands the issues faced by people dealing with technology, day in and day out. His career spans years of technology

training, database development, and consulting services for major law firms and government agencies in the Washington, DC area, and he currently resides in Charlotte, NC where he is concentrating on providing publications to the rapidly growing digital marketplace. Jones is also a best-selling author whose printed titles have sold over one million copies, and he has served as a technical editor on numerous computer books.

## **Customer Reviews**

I have learned lots of tips and tricks about my Kindle Fire HD 8 just from reading this book.

Although, I am only half way through it at this time, it offers many detailed instructions and tips not thoroughly explained in the User Guide that comes on this device. Btw, I printed it so I can highlight and tab the pages there were useful to me. The author did a great job, and this book is very well written.

This book gave a great overview of the new tablet, and I learned quite a few new tricks that I was unaware of. However this book did not cover how to customize and delete/hide items that come with the fire tablet. For those few of us that don't want to have calculator (for example) on the home

page, there is no information on how to delete them. The book could have been a bit more comprehensive in that way. Overall a good quick informative book on the basics. Thank you.

A nice book

This book is a great users manual for my new kindle hd10. It had a lot of suggestions for apps anyone could use as well as ways to keep the kindle performing at it's best.

This is a super guide to know your Fire HD 8. It has everything to make navigating the Fire tablet easy. It is a must for all Fire HD 8 tablets.

Learning how to use my Fire thanks to this app, although most of the 12 recommended apps are not compatible with my Fire.

Informative and instructive, and filled with necessary information and direction.

Verrrry interesting with lots of info. Handy to use also.
