WHAT A WONDERFUL SWEET STORY..I AM GLAD THEY FELL IN LOVE AND MARRIED...PLEASE READ AND ENJOY.I HAVE NEVER NOT READ A PURE READ BOOK.CAN NOT LIVE WITHOUT THEM...

STORY-LINE MAIL ORDER BRIDE: MARTHA BY MISTY SHAE AND TERRI GRACE:Martha Plinket's on her way west as a mail order bride. When the train hits a mudslide and Indians board, kidnapping Martha, she's terrified. Tied, gagged, and thundering, only God knew where, the horse falls in a gully; killing itself and the Indian. Martha, with a huge lump on her head, stumbles to the cabin of mountain man Gabriel Marsh.Marsh, a loner for many years, rescues Martha from his yard and the bitter cold. Waking with a headache and sick on her stomach, she finds a large man staring at her. Marsh, fearing they'll be snowed in, with no way out, knows he needs to get Martha to town and her fiancÃ©. But after days together Martha's not sure she wants to go to her fiancÃ©. How will this all shake out? Can Marsh, who has been hurt in the past, see Martha as a Godly Christian woman of faith? Will their feelings grow as they travel to the nearest town? My romance book review of Mail Order Bride: Martha, follows.CHARACTERS, PLOTTING, DEVELOPMENT:Misty Shae and Terri Grace crafted a sweet clean romance filled with heart and emotion. Marsh's past haunts him, however, Martha gives him ease. Knowing she has a fiancÃ© unsettles Marsh. I found Shae and Grace's characterization of Marsh strong and dependable; a solid good man with deep wounds. They also gave him a caring heart; regretting his past. Martha's past allows her to care deeply as she is a giver, never complaining, unused to luxury. She had a hard life as a preacher's daughter; used to little food or warmth. Shae and Grace created a wonderful woman for Marsh; one who has heart, compassion, and a willingness to work.Although short stories and novellas can not develop the characters or story-line in the depth of the their parent, the novel, Shae and Grace packed this short book of 48 pages with a solid story. Their characters are believable and likeable and the writing style flows smoothly. I loved both characters and would love to see more of them in a future book. Perfect for a lazy hour or so of relaxation. A solid sweet clean romance suitable for anyone who loves western romances, I would not hesitate to buy this book for my self or a friend. I look forward to reading more from Misty Shae and Terri Grace.MAIL ORDER BRIDE: MARTHA RECOMMENDATION: STARS 4FINALLY, PLEASE NOTE:In addition, I borrowed this book from kindle unlimited, as well as, receiving this book from PureRead and chose to voluntarily review the book with an honest romance book reviews. Lastly, book reviews of any novel are dependent on the book review author's opinion. Consequently, all book reviews on-line and on my blog, are my opinions. Furthermore, no one

influenced my voluntary romance book reviews.

I gave Mail Order Bride five stars as it is from an author that I trust to have written a good book. I have read other books by Misty Shae. I have also read books by Terri Grace and other authors from Pure Read. I appreciate being able to read a short novella knowing that it will be fun, interesting, and clean. I hope others will read these books and enjoy them. As it is a short story I don't want to write a teaser and tell too much of the story. It is winter time in the novella, my favorite time of the year so for a half an hour I got to see snow again.

A special story of a young lady who was on a train to meet her intended when it was stopped by Indians, the young lady was taken hostage after riding for a while the Indian and horse went off a cliff killing both while the lady was thrown off then she was found by a mountain man coming back to his family home. A must read for those who enjoy historical western romance kindle books from at a special price and from a duo of authors who keep me entertained throughout the entire book.

A young mail order bride encounters misfortune on her way to meet her groom to be. Her train is attacked by a band of renegade Indians and she is kidnapped. The Indian was killed when his horse falls. She is rescued by a mountain man. This a happy ending story after several problems to overcome.

Martha was taken by the Indians after the train attack. Then taken to the mountain man. She is one remarkable woman. Her story was really good to read.

Awesome book. I did not want to quit reading even though the story was finished.

loved it
