The book has an interesting approach to the purpose of each man on the Earth. It says that each of us has divine assignments and should follow his destiny callings. Proves from the Bible and from the life of the author furthermore affirm this point of view. I found this reading useful and fascinating.

This book helped me find my passion and finally have the life I've always dreamed. The tips in this book are very straight forward and easy to follow. I highly recommend this book to everyone who wants to unleash their potential.

For all out there who are struggling to learn what is their destiny then this book is a great way to start. The information is really helpful if you want to live a life of purpose and meaning.

So much Word knowledge in this book. I will always use this book as a reference

This book and " Living Beyond Yourself: Navigating into Success and Significance" are very similar. They both talk about your predestined WORK that God made you to do. However, this particular book goes into a lot more detail and a step-by-step guide on showing you how to use the gifts that you were born with. Once you realize what those gifts are you can turn them into what you do for a living while still serving God. Chapter 3 was my favorite because it gives and explains several reasons why this is so important such as: It reduces stress, deepens satisfaction and fulfillment,

builds self-esteem, and places you on a life of significance. These are all worthy and complimentary to a life well lived. This is a must read book for any Christian who are still searching what God is asking of them. It is a guide to self improvement and self love while having your life touch others and leading them to God.

How To Discover Your Divine Destiny and Total Breakthroughs (Destiny discovery, #2) by Moses A. Ojute This book explains how you can discover your destiny through God. Be grateful (to God) as he created us. Learn how to decide where you belong in life, how your calling will define you and (The Authors) ladders to success. We also learn how to build self esteem, acknowledge your destiny, do not give up. We learn some tool through scriptures to achieve our destiny, and find out what our mission in life is.
