Golf . . . The Cruellest Of Games

Synopsis

Golf.....The Cruellest of Games: Cheever Hardwick's is a totally irreverent, humorous and occasionally insightful look at the game of golf and all it involves. Decades of struggle with the dreaded game have resulted in this book which is based on the assumption that golf is a game - and a rather odd one at that. As such, golf should be a source of amusement rather than anguish, certainly in the case amateur players. A word of warning...this is not a book for those who take themselves or the game very seriously.

Book Information

Hardcover: 114 pages

Publisher: The Choir Press (April 1, 2017)

Language: English

ISBN-10: 1910864994

ISBN-13: 978-1910864999

Product Dimensions: 6.7 x 0.4 x 9.6 inches

Best Sellers Rank: #688,244 in Books (See Top 100 in Books) #193 in Books > Humor & Entertainment > Humor > Sports #3656 in Books > Sports & Outdoors > Miscellaneous

Customer Reviews

Cheever Hardwick, born in New York City, graduated from the Washington & Lee University, Virginia, with a Bachelor of Arts Degree in Journalism and later received a Doctor of Jurisprudence from the University of Colorado Law School. He spent a great deal of his teenage years travelling in Europe and his working life almost entirely in South America and Mexico. Now retired, he spends his time between England, Scotland and the Algarve. His main interests are golf and shooting and a bit of fishing, all done with great enthusiasm and little skill.

"Golf...the Cruellest of Games" puts the sport into perspective for the myriad of people who try to play it. The book is a timely reminder that humor eases the frustration of the game. Hardwick treats the high points with a light touch, concluding with a forecast for PCGCs in the future.

This is a riot. What a great spoof on golf. Hardwick is the funniest golf writer on the planet. Bravo!
