Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #473,581 in Books (See Top 100 in Books) #121 in [Books > Christian Books & Bibles > Theology > Creationism](#) #1501 in [Books > Christian Books & Bibles > Bible Study & Reference > Bible Study > Old Testament](#) #2289 in [Books > Christian Books & Bibles > Bible Study & Reference > Old Testament](#)

Customer Reviews

It is obvious these essays are well written and as objective as possible. One can't help but get the gist each chapter has been scrutinized and re-written. I feel an athiest (as I was 10 years ago) could read this and relish us Creationists are actually open minded. A great subject and an interesting delve. Remember the Bible isn't a science book but some topics it raises can be studied systematically. God Bless
