Excellent!!!

Many people come to Cape Cod every summer, but so few know much about the cape. I'd recommend that if you're one of the many people who rent a Cape house in the summer... bring this book along with you. You'll love it and you'll see the Cape differently and perhaps... find yourself walking in the footsteps of Thoreau.

I live on Cape Cod and have been working my way through Thoreau's footsteps chapter by chapter - what a fun time and an absolutely fascinating read. Thank you Adam, you have captured the Cape in a way most visitors and locals only dream of experiencing.
