Passage To Burma

Synopsis

Get lost in the timeless beauty of a country in transition. It is a charming and satisfying thing that there are still places in this world where magic seems to pervade the sights, smells, and sounds of a place more than the trappings of the so-called modern world. For more than ten years Scott Stulberg has made multiple pilgrimages to Burma (sometimes called Myanmar) to capture this sense of magic with his cameras. The result of those pilgrimages is captured here in a collection of images that display the heart and soul of this magnificent country. This is a place of dreams. Bagan, where two thousand pagodas carved from the native rock occupy an area one-sixth the size of Washington, DC. Mandalay, an exercise in calm and chaos that seduces the eye in every direction. Inle Lake, where images pop up around every corner: fishermen in their long boats, their legs wrapped strangely around the paddles; small villages clustered along the water like clumps of mussels clinging to a rocky shoreline. Mrauk, a place so remote that tourists are a curious rarity. And Yangon (once Rangoon), a tropical coastal city that still bears the remnants of colonial rule along its shady avenues. And around every corner of this country of contrasts are Burmaââ ¬â,,¢s Buddhist monks in their distinct saffron robes. Their warmth and openness have come to symbolize this amazing country. This second edition of Passage to Burma includes new photographs from Stulbergââ ¬â,,¢s latest travels abroad to this remarkable place. ââ ¬Å"This is Burma,â⠬• wrote Ruyard Kipling. Açâ ¬Å"It is quite unlike any place you know about. Aç⠬•

Scott Stulberg \tilde{A} $\phi \hat{a}$ $-\hat{a}$, ϕs love for travel and photography has led him to many remote corners of the

globe, with Southeast Asia being his favorite destination. Stulberg has taught photography classes at UCLA Extension, as well as workshops around the world—sharing his insights into "seeing differentlyâ⠬• with his students. Stulbergââ ¬â"¢s images have been featured in countless magazines including the National Geographic and Time magazine. His images have also been used in campaigns for Fujifilm and major department stores, and are on permanent display at the United Nations. Stulberg resides in Sedona, Arizona.

If you have been to Myanmar and fallen in love with the great sights, wonderful and friendly people and the beauty of Bagan, then this book will be a good souvenir of the great memories you will have while in Myanmar, Beautiful photos and just a great book to look at on a leisurely nice day.

EXCELLENT BOOK! Images are superb. Wonderful story of the people and country in pictures. So powerful are the images, that my wife are seriously considering a photo trip to Burma ourselves.

This is the third book about Burma i buy and the third disappointment. Format is good, few words but often they take up an sentire page that could have showed an Image. More importante, the choice of pictures isvery poor: lots and lots of faces very few panoramica shot of the gorgeous burmese scenery. Many photos are too dark or frame just a cloud or the Sun.Not recommended!

A visual treat that reflects the beauty of Myanmar and the warmth of the Burmese people. Scott has an incredible way of showing us how this country breathes through his fourteen years of traveling around Myanmar and his artistic story telling style. Highly recommend this book to anyone who wants to experience the beauty of Burma!
