In this busy world we have to stop and consider God's Word for us. I have made a commitment to start each day focused on the Lord. Beth's short messages allows me a jumping off point for my morning prayer. My habit is cemented. After one month I wake up looking forward to reading and praying. Deeper Bible study can come later in the day, but this is how I now start my day.

If you want a daily dose of the Word, this is the devotional for you! Learning to pray God's Word is the basis of effective and answered prayer. Jeremiah 1:12 tells us that God watches over His Word

to perform it and Isaiah 55:11 says His Word will not return to Him void. Since God puts emphasis on His Word so should we. Beth breaks His Word down in bite sized pieces that we can meditate on and apply to our life circumstances.

This is a fabulous book. It is very small, and fits right in my desk at work. There is a prayer (taken directly from Bible verses) for each day of the year. I bought this book for my personal morning devotions a year ago, and now I just bought it a second time as a gift for my aunt. Definitely worth the price!

I used Beth's book to pray for my children and children in love daily. It boosted my own faith! It is so reassuring when the trials of life come to know that you have, can or will commit everything to God in prayer! It's Him in us and us in Him. Be blessed!

Beth Moore is an anointed woman of God. If you need practical advice based on the word of God, this book is for you. It's a great devotional to start your day. She helps you interpret scripture and put the scripture in the form of a prayer. What a great way to start your day.

Very moving book. It makes you feel alive and closer to God after each read. It is a great reminder that God is ALWAYS near, He does not forget you even though we might forget him. Makes you want to draw closer to him, even though you might have never trusted him before.

Good biblical truths to think about for each day of the year. I sincerely enjoyed reading it. In fact, I will be rereading it again this year!

Daily prayers all referencing wonderful Scriptures. Part of my morning time with Jesus.
Recommended. Beth Moore is always a blessing
