Customer Reviews

I wasn't expecting the jokes to be so funny. This is truly a great choice of the humor book. Some of the jokes contained just a couple of lines. The others were short stories. Nothing longer than half a page though. Entertaining stuff and many new jokes playing around with the recent events, gadgets, and trends of 2017. And of course love, sex, family and so on..

How to make your GF mad? Buy her the piece of clothing she really wanted to have in XXXXL)))
There were tons of good jokes here but I pictured this situation with my ex and it was fun))

The funniest book I've ever read. A lot of jokes that just make you cry out laughing. Rate this for example: How can you tell what is private and what is secret? - Ok, when I sleep with my wife - it is private. When I sleep with your wife - it is secret.)))

Just some fun to brighten up your day. A good little book that put a smile on my face.

I gave this joke book one star because I only paid 99 cents for it and it has two funny jokes in it. Otherwise, I would have given it no stars at all.

Most of the "jokes" are not funny. Too bad.

This cleverly written joke book has had the entire office in stitches all afternoon. This refreshing and surprising book is filled with original jokes and gags making it pretty much impossible to put down.
