2015 BMA Medical Book Awards: Highly Commended in Basic and Clinical Sciences "I particularly like the diagrams, which are clearly labelled, not cluttered, and helpfully coloured...this textbook is great. It is well-tailored to students, providing the anatomy information that we need to know. It gets a big thumbs up" - Medical Student, University of Oxford (review of previous edition) "...explains anatomy in a way that is easy to understand, but also puts the text in a clinical context along the way. The Interactive Surface Anatomy is very useful and well made a great example of how Student Consult can provide teaching tools that simplifies complex subjects in a way no book can." - Medical Student, University of Copenhagen (review of previous edition)
