#### **Customer Reviews**

I love stickers, I don't like the amount of newer Pok $\tilde{A}f\hat{A}$ <sup>©</sup>mon than older ones, but that doesn't keep me from sticking them everywhere. I'd reccomend this to any Pok $\tilde{A}f\hat{A}$ <sup>©</sup>mon fan in your life.

My boys are very happy with this sticker book. Bear in mind, the stickers are very small, but there are a ton of them.

6 yr old grandson loved

VERY NICE!

My older boy absolutely loves this book, its about his third book of the same pokemon. Great book for youth.

Just like our old one!

I bought this book to entertain my 6 year old Pokemon fan in the car. I am not sure how long he played with it, but long enough to put all the stickers in their correct spots. He really enjoyed this book.

I ordered this thick paperback thinking that I would get a lot of large stickers. However, this book managed to fit 70 pokemon stickers each on 7 pages, meaning very small stickers. There's six huge stickers on the back, which is a nice plus. Get Pok $\tilde{A}f\hat{A}$ <sup>©</sup>mon: Diamond & Pearl Sticker Collection (Pokemon (DK Publishing)) (Paperback) if you want better stickers than this product.
