Synopsis

In the mid 19th Century William Barrington, and D' Almeida journeyed across the island of Java, documenting the daily beliefs, culture and life of the local Indonesian people.Considering, they travelled at a time where their was no photography or video, "Sketches of Life in Java," is the closest view we have of Java in that period of history..The authors wanderings have passed onto the reader, a unique record of life during the 19th Century on the island of Java, which brings you back into another time.
