# My Happy Pumpkin: God's Love Shining Through Me

## Synopsis

Small children will eagerly open this pumpkin-shaped board book to discover the delightful story and colorful illustrations, by artist Claudine GÃfÃ©vry. Using sing-song rhyme, author Crystal Bowman describes a fun fall tradition of carving a pumpkin face. But she adds a twist that helps preschoolers grasp the concept of God's life-changing love for them. Just like we scoop out the inside a pumpkin, God makes us clean on the inside too.

## Customer Reviews

Crystal Bowman loves writing books for kids. Her books come in all shapes and sizes and many of them have become best sellers. Whether her stories are written in playful rhythm and rhyme, or short sentences for beginning readers, she tries to make them so enjoyable that kids will want to read them over and over again. "But the most important part," she says, "is to teach children that God loves them and cares about them very much."

This is a wonderful book that takes the traditions of Halloween and relates them to our savior and His love for us in a way that even children can relate to. Even as an Adult it made me smile because I had never looked at it in this way. The story and the illustrations are both wonderful and I would have to say that it is definatly one of my favorite children's books

In anyway I can incorporate Jesus into any lesson I will!!! Serving God is fun!! This book brings out in a small way fun Christian view of pumpkin carving!!! Love it!!

This is an adorable book which brings God into a holiday largely devoted to celebrating the creepy/disturbing/evil. Sweet rhymes and cute illustrations make this book a welcome relief and a joy to read to little kids!

Wonderful book with engaging pictures and text

I love Crystal Bowman's books - I've bought several for my grandkids! They always have cute, appealing illustrations and are a great teaching tool for parents to use in teaching about God's love!

I was first introduced to this series of books last Christmas. There are several Christmas ones that explain Christmas trees, presents, etc. I was very excited to see they had one for Halloween. It is hard to not get carried away with the holidays, but this brings it back to the Christian view without being preachy.

I purchased this book to use for my Wednesday night church group of children. They are 3 & 4 years old and they really enjoyed it. Went back and ordered the Thanksgiving and Christmas ones, too.

Love the analogy. Great book.
