The Royal Tenenbaums

Synopsis

This is the screenplay for the acclaimed film, directed by Wes Anderson. There were three extraordinary children in the Tenenbaum family; Chas Tenenbaum (Ben Stiller) was a financial expert and started buying real estate in his early teens; Margot Tenenbaum (Gwyneth Paltrow) was an acclaimed playwright and won a Pulitzer Prize in the 9th grade; Richie Tenenbaum (Luke Wilson) was a champion tennis player ranked 2nd in the world by the age 17. They were brilliant. They were famous. They were unlucky enough to be the children of a man named Royal Tenenbaum (Gene Hackman). Now for the first time in 25 years, they're all living together under the same roof. After having largely gone their separate ways they're looking to mend fences and themselves in the process.

Customer Reviews

“Wes Anderson has only two previous features, *Bottle Rocket* (1996) and *Rushmore* (1999), but it's already clear that this 32-year-old writer-director possesses one of the freshest voices in American movies. His is a talent that Jean Renoir might have admired.”
—Dave Kehr, *The New York Times*
“The *Royal Tenenbaums* speaks in its own singular voice: at once tender and probing, mindful of New York and its special mixture of grit and glory, but confident enough to mold it into a big, faded magic playhouse, a limitless extension of the Tenenbaum family's private universe. I've never seen moments like these in any other movie.”
—Kent Jones, *Film Comment*
“Memorable . . . Charming . . . A strong imagination is at work in every part of the picture.”
—Stuart Klawans, *The Nation*

Wes Anderson is the director and co-writer, along with Owen Wilson, of Bottle Rocket and Rushmore.

I only had to wait about 3 days for the RT screenplay to arrive. I at first thought it may have been a mistake to order it, considering how I've seen the film 200+ times, however it ended up proving to be an interesting read because of the scenes and dialogue that are included that aren't used in the final edit. If you enjoy reading screenplays, and are hoping to try your hand at it yourself, Wilson and Anderson's work here is an ideal point of reference.

It's the entire screenplay of Wes Anderson's masterpiece "The Royal Tenenbaums". It's in standard screenplay format. There are some photos sprinkled throughout, but they are black and white and hard to make out. Anyway, they are just screenshots from the film. I was interested in seeing how great screenwriters such as Wes Anderson and Owen Wilson put together one of my favorite films. Love this book. A must have for all Wes Anderson enthused cinephiles.

The book is perfect size for fitting into backpacks or bags, wonderful font size and contains photo stills from the motion picture. arrived in 5 days.

If you love Wesley's witty masterpiece about mourning, it's worth taking the next step of reading his script. Very happy with this purchase!

I was surprised to see a couple written scenes that I didn't see in the movie. I love it even more now

Loved it!

I just can't get into it.

I didn't realize that this was just the screen play. I wish I would have paid more attention because it is exactly as advertised. I just wish it would have been written as a novel like I originally thought.
