Customer Reviews

If you like George Gershwin's music and Ira Gershwin's lyrics and want sheet music, this is the book for you. It is a compendium of most of his music written for Broadway shows and even has a few of his more classical pieces included. There are also songs that were written by composers other than GG but were lyricized by Ira. I like it!

All the songs I love most in one book! The full songs with very clear and basic accompaniment and nicely bound.
