Zion National Park: Utah, USA (National Geographic Maps: Trails Illustrated)

Synopsis

UTAH NATIONAL GEOGRAPHIC MAPS Explore the beauty and geological wonder of Utah's first national park with National Geographic's Trails Illustrated map of Zion National Park. Created in partnership with local land management agencies, this expertly researched map combines unmatched detail with useful information to help you get the most from your visit, including a chart detailing the extraordinary geology of Zion and a companion hiking timetable for the popular Zion Narrows. Key areas of interest featured on this map include: Zion Narrows, Kolob Canyons, La Verkin Creek Trail, Hop Valley Trail, Wildcat Canyon, West Rim Trail, Floor of the Valley Road, East Rim Trail, Telephone Canyon, and the Virgin River. With nearly ninety miles of mapped trails, trail summaries, and information about camping, lodging, and shuttles, the Zion National Park map will prove an invaluable tool on your journey. Trails are clearly marked and include mileages between intersections. The map base includes contour lines and elevations for summits, passes and major lakes. Some of the many recreation features include: campgrounds, trailheads, parking lots, designated campsites, and interpretive trails. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation.

Founded in 1915 as the Cartographic Group, the first division of the National Geographic Society, National Geographic Maps has been responsible for illustrating the world around us through the art

and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world. All proceeds from the sale of National Geographic maps go to support the Society's non-profit mission to increase global understanding and promote conservation of our planet through exploration, research, and education.
