Iditarod: The Great Race To Nome

Synopsis

Men. And women. Dogs. The thrill of extreme adventure... the agony of extreme defeat. These are the elements that make up the famous annual Iditarod Sled Dog Race from Anchorage to Nome. Now, just in time for the Iditarod's 30th anniversary, comes this new edition of one of the best-selling books on 'the Big Trail.' Sherwonit recounts the history and past three decades of the Iditarod and looks forward to its promising future, while photographer Jeff Schultz provides thrilling new photos, from the arctic landscape to the competitors and the dogs they rely on.

Customer Reviews

YA--Two titles that offer background and a behind-the-scenes look at the well-known sled dog race. The oversized Heacox book features glorious photographs and minimal text. Sherwonit traces the evolution of Alaskan dog racing beginning in the early 1900s. The full-color and historical photographs enhance the textual description of the history and actual running of the race. Both books present musher comments about strategy, their dogs, and the physical strain to create a you-are-there feeling. If a choice must be made, go for the Sherwonit as it has more information. Copyright 1992 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

The annual (since 1973) Iditarod Trail Sled Dog Race, a grueling 1100 miles from Anchorage to

Nome, is probably the best-known Alaskan sporting event. This profusely illustrated (80 color, 20 black-and-white photos) volume commemorates this grueling test of dogs and drivers. The short text gives a brief history of the Iditarod Trail, famous for the 1925 diphtheria serum run to Nome, and then describes the race route with highlights of the hazards facing participants and some of the exciting race finishes. This book is for browsing, sports, Arctic, and women's studies (the Iditarod is one event where women compete on equal terms with men) collections in public libraries.- J.F. Husband, Framingham State Coll., Mass.Copyright 1991 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

As described -- fast shipping -- thank you!!

Great pictures and history of the Iditarod.

Well told story with well done pictures. Great read during the Iditarod Sled Dog Race held in Alaska in January/February.

Iditarod; The Great Race to Nome, is a informative book with abundant and excellent pictures to supplement the text. Iditarod; The Great Race to Nome, provides information about the gold rush, early sled dog races, and how the Iditarod dog sled race got started and more! It also includes tidbits of information about various topics that relate to the Iditarod, such as mushers. Wonderful pictures make the book even more memorable and worth buying. Overall this book is a great and informative book for all ages and is a personal recommendation if you need information about the Iditarod.

This is a well written, easy to follow book that provides a lot of information about the Iditarod. Beautiful pictures make the reading even more enjoyable. It's broken into chapters so it can be read bit by bit, but it reads like a novel and I read it practically all in one sitting! I would definitely recommend it for anyone looking to learn about The Last Great Race!
