Straight Line Selling: Master The Art Of Persuasion, Influence, And Success

Synopsis

Jordan Belfort - immortalized by Leonardo DiCaprio in the hit movie *The Wolf of Wall Street* - reveals the step-by-step sales and persuasion system proven to turn anyone into a sales-closing, money-earning rock star. For the first time ever, Jordan Belfort opens his playbook and gives listeners access to his exclusive step-by-step system - the same system he used to create massive wealth for himself, his clients, and his sales teams. Until now this revolutionary program was only available through Jordan's \$1,997 online training. Now, in *The Way of the Wolf*, Belfort is ready to unleash the power of persuasion to a whole new generation of listeners, revealing how anyone can bounce back from devastating setbacks, master the art of persuasion, and build wealth. Every technique, every strategy, and every tip has been tested and proven to work in real-life situations. *The Way of the Wolf* cracks the code on how to persuade anyone to do anything and coaches listeners, regardless of age, education, or skill level, to be a master sales person, negotiator, closer, entrepreneur, or speaker.
