# To Love A Highlander (Highland Warriors Book 1)

## Synopsis

His hate runs deep for her. Will his love run just as deep? Craven of the Clan MacCara is a fierce Highland warrior, fighting endless battles and conquering his foe, but there is nothing the mighty warrior can do to save his wife and unborn child. He can, however, make the person responsible for their deaths suffer for it. He had nearly taken the healer's life that tragic day, his hands having been at her throat. To his regret, he let her live and warned her never to return. He has lived with that regret for the past year, but no more. She has dared to return home and he intends to make her suffer before he takes her life. He is called the beast for a reason and he intends to release the beast on her. Nothing will stop him. Nothing or so he thinks. Espy has no place to go but home to her grandmother, the one person who loves her. She has no choice, for what awaits her there is far less frightening than what she is running from. She is a healer, wise in the old ways and knowledgeable in the ways of a physician, her father having taught her. She is hopeful that Craven MacCara, a beast of a man, might find it in his heart to forgive her, since a day has not gone by that guilt, misplaced as it is, has not weighed heavily upon her. If not, then death will be her only salvation or so she thinks. Truths begin to surface, lives are threatened, secrets are discovered, and love finds a way to heal the heart, and Espy discovers what it means To Love A Highlander. Escape to the Highlands, late 1400s, in this historical romance, book one in the Highland Warrior Trilogy.

## Customer Reviews

I have read many types of romance novels and I prefer those with intrigue and mystery. I do not like those that they meet and 5 minutes later they are in love and can't live without the other. I can say this story was much more than I could have thought. The story line was fantastic, the romance made you wish there were men like Craven. I could not figure out the mystery part of it until almost the end. When I finished the story I thought "that was a great story". I will definitely read this book over and over. Excellent read!!

Finished in one dayGreat book and was amazed at how I didn't get bored and frustrated over all the twists and turns like I normally do with the plot

I really enjoyed the book and loved the characters. I cannot wait for the next book. Thank you Donna and keep up the good work!

I loved the action, the intrigue and the love in this story. I would recommend this book to anyone and everyone.

I doubted all of the 5 star reviews ,but I would give it 10 if I could. This book kept me up late and held me spellbound...excellent love story...love truly overcomes hate!

I loved this book! Full of twist on the plot made it very interesting to read!! Love the characters !

Literally couldn't put it down. Finished the book in half a day. It kept my attention. Loved other books of hers but drew away with the multibook story.(not my thing) but this was great. Can't wait til next one.
