GIVE IN: God's Hellfire MC

Synopsis

Give in, angel. You belong to me now. She's a hellcat running dirty on sin and rage. I'm a bad man with enough skeletons in my closet to fill a graveyard. It's a match made in heaven. But this filthy romance can only end one way: With my name on her lips and my hands around her throat. She knew it as soon as she saw me: I'm not the type of man who gives up control. When you're in my world, you belong to me. And this sexy little working girl was no exception. She's got ice in her veins and fire in her eyes. Not to mention the schemes running rampant through her brain. She thinks she can use me. Hurt me. Make me plead. But all those pretty little revenge fantasies can go to hell. I want one thing from her, and one thing only: Total f**king submission. She can try to resist. But in the end, I always get what I want. GIVE IN is a full-length, standalone bad boy baby heist romance. This exclusive new novel comes with additional bonus content so you never have to stop reading. All sexual situations feature characters who are 18+ and consenting. Enjoy!

Naomi West grabbed my attention from the very first page with "Give In: God's Hellfire MC" The plot

was well planned out and the characters were so well detailed that I was totally hooked on Micah and Kaci!! voluntarily reviewed an advanced reader copy of this book. However, I liked it so much that I one clicked a copy and you should too.

Ok yeah again, Better than the last one! Received the book as an ARC for a review But I also bought it! Kasi and Mikah both had pasts, but it didn't make a difference once Kasi literally ran into Micah and she became his! Between the Russian Mob and the FBI these 2 have a lot to keep them busy! So very much a must read! Naomi gets Better and Better!

This MC romance was such a fast-paced page turner! Kaci has not had an easy life. It's made her wary of others, cynical, and feisty. Micah is a rough, no holds barred alpha, and just what Kaci needed. This was a steamy, engaging and intriguing read. I voluntarily reviewed an advance reader copy of this book and also bought a copy.

I voluntarily reviewed an Advance Reader Copy of this book. While I enjoyed this book, I had a much harder time getting into it than I have her other books I've read. I usually am hooked right from the start but this one for some reason just didn't do it for me. It wa still a good read but I felt it wasn't as good as the other books I've read by this author. One thing that I think is the main reason I wasn't as into this one, is that the heroine, Kaci, was a hooker from the beginning. I know she had a bad past but I felt it turned me off a little from the book, which had me not as invested throughout. BUT, I did love how Micah was very protective of Kaci and even her friend Sydney. Together, I really liked Kaci and Micah, but just Kaci alone, I wasn't that big of a fan. Overall, I would still say that this is a good read that is worth the time to read it. It's more my personal hang ups than the book actually be bad because it's NOT! And I do really love this author!

Another fast paced hot read by Naomi West. This is not your typical MC romance that's for sure. I felt this was very different, but very good. It's a well written story with a good storyline too. The book has a lot to offer to keep you intereted and entertaining throughout the whole thing. The story contains some steaminess plus action with a bit of suspense and enough extra drama to keep it enjoyable. The characters I thought were well developed and of course the chemistry was very hot. But they also were easy to like as well. I think Naomi did a good job and I absolutely love her books. I voluntarily reviewed an advanced copy of this book.

Naomi West is one of my favorite authors~ This story is about Micah and Kaci. Kaci is a prostitute and waiting for her next client, when a knock on the door reveals her long lost brother. She tries to protect him and he hides in the bathroom. Micah is there to meet with Kaci's boss, not knowing about Kaci and the mess he's now walked into. She thinks he's the reason her brother died, he thinks she's hiding something. As he takes her back to the MC, he's decided to get her to trust him in whatever way possible. They end up working together. And of course love is involved. I voluntarily read this arc from the author.

I voluntarily read and reviewed an ARC copy of this book. Naomi West is one of my go to authors, she's an amazing storyteller and never fails to hold my interest...her MC books are the best!! Micah and Kaci meet under crazy circumstances. She thinks he's someone he's not and blames him for her brother's death. He knows she's not all that she claims to be and doesn't trust her at all, but he can't get her off his mind. Hot, hot, sexy story with lots of excitement, making it a quick, entertaining read. Loved it!!

This book is a roller coaster ride for Kaci, a prostitute at a young age and Micah, President of God's Hellfire MC. Kaci wants revenge for the man in charge of Petrov Arms that killed her brother Romeo. Micah wants to rip off Petrov Arms for their guns. Kaci and Micah are two strong willed people that have their own set of problems to make them who they are. I liked how Naomi West unravelled Kaci and Micah's trials individually and together to help them form a strong relationship. I enjoyed reading this latest book of Naomi West.
