# Corfu Villages: Northern Region

## Synopsis

Part two of the Corfu villages eBook has taken me from the relatively low central villages in part one to the mountainous northern villages. I had passed through some of these villages before, throughout the many visits to the island over the past twenty six years, but returning with the intention of writing about them and photographing them was an experience I will never forget. With a second donation of food to the Red Cross made possible from the proceeds of the eBook it has been another satisfying and emotional year. Thank you all.
