Customer Reviews

It was good to see salvation through the eyes of a spirit filled Jewish Believer. I had never considered Ester as being an end time book in the Bible.

Shows what a great God we serve!

Did Roth is Jewish after all. But his perspectives are quite enlightening. I did learn a lot about Jewish ways and history that gave greater understanding of the scriptures. Definitely worth the read.

Help fill you up. with the spirit, and a good read also I enjoyed

It is powerful and lifechanging

Love this book and the tools Sid provides!

What a great book. Sid really helps you to see what the Jewish people are all about. He has a great healing ministries and wants all Gods people to be healed. The book is filled with lots of healing scriptures and scenes from heaven. Heaven is real and God has a plan for all of our lives. this is an encouraging book and will be a good book to refer back to for healing scriptures. God wants all His people saved. Jew and gentile. We are to be mighty wittnesses for Him and bring the people in before the end times.

Sid RothÃfÂçÃ â ¬Ã â„çs ÃfÂçÃ â ¬Ã Â“ltÃfÂçÃ â ¬Ã â„çs SupernaturalÃfÂçÃ â ¬Ã Â• will resonate with every Christian believer aspiring to experience more of GodÃfÂçÃ â ¬Ã â„çs supernatural life and power. Roth tells of his own life changing encounter with God, resulting in fresh new perception and miracle breakthrough which added a whole new dimension of spiritual understanding. Although raised in a Jewish home, Sid Roth did not find answers in their religious,

teachings and traditions; nor did he find them through a successful career as an account executive with Merrill Lynch. Sid became frustrated with life, he gave up his career, became hopelessly depressed, and desperate for finding meaning and purpose. In 1972 Sid was delivered from demonic oppression through a supernatural encounter with Jesus. The book is filled with fresh powerful examples drawn from interviews with people who have been powerfully transformed by God's supernatural presence, as evidenced by: Charismatic gifts, the demonstration of miracles, the preservation of the Jewish people as a distinct race, prophets and seers ministering revelatory gifts, and experiencing current day manifestations of the works of Jesus. Powerful tools, healing promises from the scriptures, simple steps to meditating on the scriptures, and much, much more fill the pages of this fast moving narrative. Roth's writing is Bible based, authoritative, convincing, with transcendent evidence of the supernatural and teaching that goes beyond prevailing theological concepts. Sid Roth extends this invitation to his readers, "Welcome to my world, where it's Naturally Supernatural. A complimentary copy of this book was provided for review purposes.
