Customer Reviews

Steve is creative. Steve is smart. And Steve is caught up in a land where there is not a single soul in sight. His only company is the voice he keeps on hearing in his head. Read the book on the Kindle edition to find out if the voices are there to help him out or there is something sinister going on. It is a fun-filled ride.

Perfect as a gift, but make sure to get one for yourself as well! I don't expect much of this product, when receiving seasonal I surprise, its absolute value five stars. I have used this repeatedly. And it still works. I love it Really enjoy this shopping experience. gets the job done most of their items have warranty yet none of my products have fail yet
