Customer Reviews

This updated version includes more than 30 new shows, among them Idiot Savants, Wheel of Fortune 2000, and Win Ben Stein's Money. Appendixes list shows by start date (the first was Truth or Consequences, which debuted as a television series the day commercial television began operating); shows by network; longest-running game shows (The Price is Right tops the list); game-show personalities; and more. The second edition was published in 1995.

The first one in the history of classic game shows in history.

This book is absolutely super! When I first looked at it, I went through and found all these old game shows I remember from when I was little that I didn't think anyone remembered (like All-Star Blitz, Chain Reaction, The New Chain Reaction, Press Your Luck, etc.). I was truly impressed by this book. The book is absolutely wonderful! It's a comprehensive guide to game shows from the beginning of television to the present! It's a great reference book about game shows, plus it's great for reminiscing about old game shows you used to watch, learning things you didn't know about your favorite game shows, and learning about game shows that you'd never heard of before. Plus, this book introduced me to Bill Cullen, Peter Marshall, Allen Ludden, Bert Convy, and other hosts

that I had never seen before, or saw but was too young to remember (Chain Reaction and All-Star Blitz come to mind). In conclusion, this is a great book. The only thing I can think of that would make this great book even better would be to add more pictures.

A MUST HAVE for the Ultimate TV Game Show fan. An entertaining book about the history of TV Game Shows, an ultimate collector's item for the ultimate TV Game Show fan !

a gift for my brother and I know he will love it

Perfect.

great book

I use this book constantly when I need info on my favorite game shows. I've noticed there are still a few inaccuracies but hopefully those will be updated in future editions as the TV game show makes a triumphant return
