ISBN-13: 978-0195030150

Product Dimensions: 5.8 x 0.9 x 8.5 inches

Shipping Weight: 13.6 ounces

Average Customer Review: 4.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #501,820 in Books (See Top 100 in Books) #77 in [Books > Textbooks > Medicine & Health Sciences > Medicine > Clinical > Gastroenterology](#) #169 in [Books > Medical Books > Medicine > Internal Medicine > Pathology > Diseases > Digestive Organs](#) #180 in [Books > Medical Books > Medicine > Internal Medicine > Gastroenterology](#)

## Customer Reviews

"The best (perhaps only) presidential synthesis suggested by a historian that is logically and factually compelling. It provides a simple, cohesive, and intelligent overview of a complex political process....Historians will read this book with enjoyment and immense profit."--The Journal of American History  
"A delight for serious students of American presidential politics."--History: Reviews of New Books --This text refers to the Paperback edition.

Richard P. McCormick is at Rutgers University. --This text refers to the Paperback edition.

McCormick shines a light on the dustiest corner of the U.S. Constitution still in effect. It turns out that even the Founding Fathers were as perplexed by the election process as we are. Even with the stopgap measure of the 12th Amendment, the wideopen gaps of the electoral process shaped the rise of the political party system we know today. McCormick prescribes no changes but that's not his intent here. Rather, he bares an overlooked but nonetheless crucial part of our past and how it still affects us today. Those who want to either justify or reform presidential elections can do only worse

than to start with his book.

McCormick does more than present a history of U.S. Presidential elections; rather, he analyzes the varying "rules" which defined what he terms the "Presidential Game" over the first century. He argues that the development of political parties, though not specified in the Constitution, became a necessary result of the "game" which developed. An interesting, although sometimes repetitive, text.
