Righteous Indignation: A Jewish Call For Justice

Synopsis

Can the teachings of Judaism provide a sacred framework for repairing the world? In this groundbreaking volume, leading rabbis, intellectuals, and activists explore the relationship between Judaism and social justice, drawing on ancient and modern sources of wisdom. The contributors argue that American Jewry must move beyond "mitzvah days" and other occasional service programs, and dedicate itself to systemic change in the United States, Israel, and throughout the world. These provocative essays concentrate on specific justice issues such as eradicating war, global warming, health care, gay rights and domestic violence, offering practical ways to transform theory into practice, and ideas into advocacy. Rich and passionate, these expressions will inspire you to consider your obligations as a Jew, as an American and as a global citizen, while challenging you to take thoughtful and effective action in the world. Seeking to provide a set of intellectual and spiritual resources to encourage a sophisticated conversation about Judaism, social justice and environmental responsibility, this book more than meets its mark. The contributors, who are activists, intellectuals and spiritual leaders, broadly interpret their mission, touching on topics such as social justice, toxic waste, renewable energy, stem cell research, domestic violence and Middle East peace. Unsurprisingly, many touch on the Jewish imperative, *tikkun olam*—mending the world—and how we might better accomplish our part. However, those authors' focus on mending the world doesn't stop with recommendations for service but centers just as much, if not more, on far-reaching reform—changing social systems for the better. While written for progressive Jews and their communities, anyone struggling with the age-old conundrum of ...but what can I do? should sample this wonderful buffet of ideas, replete not just with tradition but with innovative interpretations suited to a 21st-century approach toward social action and reform. A must-have for libraries, Hillel chapters and campus multicultural centers, it promises to fuel more than a few late-night conversations, whether around the Shabbat table, boardroom or dorm. (Feb.) "A must-have book.... This anthology will probably play an important role in advancing the progressive agenda in ... American elections."—Association of Jewish Libraries "An essential and engaging source to read, study, refer to and strengthen our resolve. Let all who care about justice or Judaism enter here."—Melanie Kaye/Kantrowitz, PhD, author, *The Colors of Jews: Racial Politics and Radical Diasporism*—“Unites the memory of yesterday with the promise of tomorrow. Addresses all of us, here and now.”—Rabbi Harold M. Schulweis, Valley Beth Shalom—“Rich and passionate, these expressions will inspire you to consider your obligations as a Jew, as an American and as a global citizen, while challenging you to take thoughtful and effective action in the world.”—Jewish Media Review—“A

passion for justice infuses the articles, and the inspiration of Abraham Joshua Heschel shines through clearly.... Gives us hope for a reinvigorated Judaism in the twenty-first century, and a world that will come closer to redemption. *—* Professor Susannah Heschel, author, *Abraham Geiger and the Jewish Jesus* *—* “Marvelous *—* inspires us to do more to bring about the changes that our world so desperately needs. *—* Rabbi J. Quality book in fine condition delivered in a timely way. Thanks.

Whether you’re a Jew trying to figure out how to move beyond simple tzedakah to a more effective method of tikkun olam (perfecting the world) or an organizer seeking to learn the secrets of mobilizing the Jewish community, this book is a must read. Its essays from superstars of Jewish progressivism should be a pocket guide for everyone who wants to engage the faith community to help save the planet and bring justice to the world. Editor Margie Klein’s essay “Preaching What I Practice” is not only a deeply moving and deeply entertaining read, but should be a guide for every aspiring Jewish activist.
