## Customer Reviews

Discovering The Leader Within is a practical, application-oriented book perfect for anyone active in any professional or social organization or group. Discovering The Leader Within equips the reader to participate more effectively by learning and practicing communication skills. Applying the concepts and exercises of Discovering The Leader Within will enhance understanding of the group process, explore one's identity apart from the group, improve speaking and listening skills, learn innovative ways for decision making and problem solving, discovering how to build cohesive and supportive group atmospheres, and acquire specific strategies for dealing with inter- and intra-group conflicts. While Discovering The Leader Within is useful reading for any group member, it is an absolutely essential study for group leaders. -- Midwest Book Review

Randy Fujishin is a Speech Communications professor at West Valley College.

it was a required textbook for one of my classes. It had a lot of good info and was easy to read... the only thing is, I didn't really like the class itself.
